

eLigalix Feedback

- 1. Past Date Order Date Restriction:** Users should not be able to select a future date.
- 2. Selection:** Users should be allowed to select any past date, including Sundays or holidays.
- 3. Short Order Issue:** After clicking the "Proceed" button, the "Trial version of Telerik" message appears. It should not be displayed.
- 4. Party Name & Counsel Formatting:** Party names and counsel should be displayed with a comma separator, but users should be able to remove them if needed.
- 5. Case Status Display:** Clearly show whether the case status is Pending or Disposed Off.
- 6. Automatic Selection:** Listing Date, Court Number, and Judge Name should be auto-selected based on listing details.
- 7. Long Order Saving Issue:** When trying to save, the message "Judgment order not saved for this case number. Please save judgment order before uploading another order." appears. Ensure data is saved properly before allowing another order upload.
- 8. Blank Order Restriction:**
 - Blank orders should not be saved.
 - Data should not be saved unless the Save button is clicked.
- 9. Print Preview Accuracy:** The Print Preview of the order should match the final Live Scenario PDF Order.
- 10. Neutral Citation Number Protection:** If a Neutral Citation Number has been used, it should not be deleted.
- 11. Kindly ensure that the report is generated in accordance with the specified filters:**

Petitioner Name, Respondent Name, Petitioner Counsel, Respondent Counsel, Order Date, Listing Date, Case Number, Uploaded By, Judge Name, specifying whether the matter is adjudicated by a Single Bench, Division Bench, or Larger Bench, along with the designation of First Judge and Second Judge, where applicable.

Registrar (J) (Criminal)
